Tapping on the Buddha

Energy Healing for the Spiritual Path

The Buddha is the symbol of inner peace and wisdom. Energy healing is the most effective modality there is. What happens if you put the two of them together? Not only is GP a Meditation Master and an expert on Buddhism and Christian Mysticism, he also is a recognized master of the Emotional Freedom Technique. Relieve systems and wake up to who you really are. How does it get any better than that?

"As masterful and engaging a speaker as GP is, it pales in the face of the depth of the message he delivers: the incredible power of courage and the innate value we all possess. Teacher? Actor? Storyteller? Leader? Visionary? Sage? GP is all of the above."

About GP

The son of a schizophrenic mother and an absent father, GP's earliest memory is being tied to his bed, to keep him from wandering. The years of abuse and emotional deprivation were offset by a natural gift for and love of truth as well as an unquenchable curiosity about how people really heal and awaken.

GP has spent a lifetime mastering those techniques and processes that liberate the mind and heart and bring healing to individuals, families and organizations.

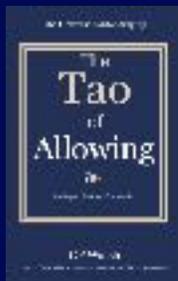

From Zen meditation to metaphysics, from Gestalt to inner child work, from nutrition to voice dialog, from stress relief to living your life purpose and spiritual healing at the deepest level, culminated in his own creation, a revolutionary approach called **Inner Reconciliation**. At this level of mastery inner conflicts just seem to disappear in his presence. GP is both a recognized Meditation Master and an Expert in EFT.

GP is the author of "The Tao of Allowing", "Angels in the Basement", "The Harmonious Human", "Tapping on the Buddha", "Just Allow It", and numerous other ebooks, meditations and audio/video programs.

He is the Founder of The MasterHEART Institute, an Ordained Minister in the Universal Brotherhood Movement, a Member of the Association of Comprehensive Energy Psychology, the Evolutionary Business Council and was personally invited to be a member of the prestigious **Transformational Leadership Council** by Jack Canfield, the organization's founder.

All the problems you have, indeed, all the problems the world has, have a common cause, "Inner Conflict." Remove that conflict with Inner Reconciliation! ~ GP
